

QB-1

SUPER-STRONG POST & BASE FOR A VARIETY OF ROOF TYPES

The super-strong QB-1 system includes a base that attaches to composition shingle, tile, shake, slate, and metal shingle roofs. QB-1 is an ideal solution for new residential construction projects, allowing for the roof to be shingled or tiled around the installed mount. Aluminum cone flashings sized to fit the post are also available.

FEATURES & BENEFITS

- Strongest post & base mount in the industry
- Structural-Attach & Direct-Attach options available
- Malleable tile level flashing conforms to fit the shape of any tile profile
- Ideal solution for new residential construction projects
